He is the author of more than 100 books and articles in philosophy. His books include *Analyzing Social Knowledge* (1996); *The Errors of Atheism* (2010); *Heirs of Oppression* (2010); *Interpreting Plato's Dialogues* (2005); *Race, Racism, and Reparations* (2003); *Race, Rights, and Justice* (2009); *Responsibility and Punishment* (2014); and *Terrorism: A Philosophical Analysis* (2003). His articles have been published in such journals as *American Philosophical Quarterly*; *Analysis*; *International Journal for the Philosophy of Religion*; *Journal of Social Philosophy*; *Philosophy*; and *Public Affairs Quarterly*. Contact: acorlett@mail.sdsu.edu.

Arnold Cusmariu is an artist and independent scholar. He holds a Ph.D. in philosophy from Brown University and has published articles in metaphysics, epistemology, logic, the philosophy of language, and the philosophy of mind. He has also published articles in aesthetics explaining the philosophical foundations of his work as a sculptor. To date he has produced over fifty sculptures in all media, though alabaster and soapstone are his preferred materials. Contact: bravo323@gmail.com.

Paul Gomberg is Research Associate in the Department of Philosophy at the University of California at Davis, having retired as Professor of Philosophy at Chicago State University in 2014 after teaching there for twenty-nine years. His book *How to Make Opportunity Equal* was published by Wiley-Blackwell in 2007. "Workers without Rights" is based on a chapter draft from his current project, *American Racial Injustice: How It Arose, Why It Persists, How It May End*. Contact: pgomberg@earthlink.net.

Erick Jose Ramirez is Assistant Professor of Philosophy at Santa Clara University, Santa Clara, CA. He received his Ph.D. from the University of California, San Diego in 2012. He specializes in the philosophy of mind and

Symposium

mental illness with a special interest in emotion, psychopathy, and autistic agency. His recent publications have appeared in the *American Journal of Bioethics: Neuroscience, Philosophical Explorations, Philosophical Psychology*, and *Ethics and Neurodiversity*. He is also the author of the *Internet Encyclopedia of Philosophy* entry for "Mental Illness." Contact: ejramirez@scu.edu.

Bianca-Alexandra Savu is a philosophy graduate of the University of Bucharest. In December 2016 she has defended her PhD thesis on a subject at the encounter of philosophical logic, metaphysics and philosophy of science, her main research interests pertaining to modal logic metaphysics. Contact: bianca.a.savu@gmail.com.

Charlotte Shreve is a UTA (Undergraduate Teaching Assistant) studying Philosophy and Cognitive Science at the University of Delaware. She can be reached at Cshreve@udel.edu.

Mark D. Webster serves as Vice President of Technology and Chief Information Officer for J. Sargeant Reynolds Community College in Virginia, USA, with the rank of Professor. He holds a PhD in Education Technology Management from Northcentral University, and has a research interest in the connection between philosophy, technology, and leadership. Within philosophy, his main area of focus is on the philosophy of technology, with specific work related to wrestling with the problem of technological determinism. Longer term projects include using phenomenological research methods to investigate philosophy of technology, and completing work on a book, *Dominion over Technology*. Contact: mwebster@reynolds.edu or mark_webster@outlook.com.
